# welcome

Hey there!

Congratulations on your engagement!

I'm so happy you have considered Arranged By Claire to be apart of your special day!

I'm Melanie Claire, the sole owner & operator of Arranged By Claire.

The face behind the arrangements...

I love being able to create florals that will accompany your special moments in life, and what could be more special than a Wedding!!

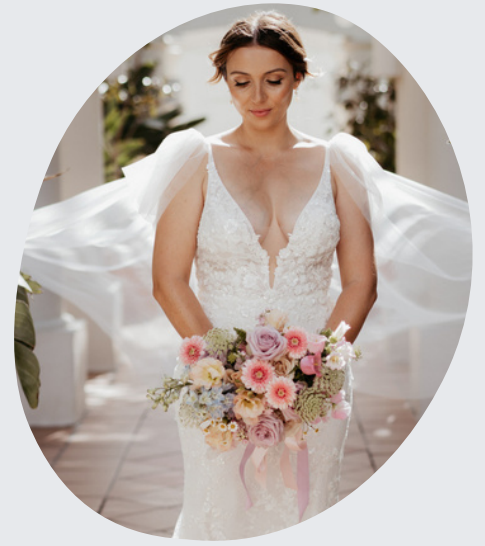

You are likely overwhelmed with all the wedding information out there, but don't worry - you're not alone.

I am here to help you.

The information in this floral guide is meant to help you through all your floral related questions so you can relax and get excited for your big day!

If you still have questions, please don't hesitate to get in touch, I am here for you every step of the way!

# bridal bouquets

Ok so let's start with the most important... THE BRIDAL BOUQUET!!!  
Did you ever dream about this as a child??

As you can see from some of the images provided my style is a little wild, a little rustic but still very modern and elegant. I love the play on foliage to create different textures and shapes paired with beautiful blooms to soften for a whimsical, garden look.. I am also not opposed to an all floral vibe for that modern look.  
What kind of gal are you...??

## **PLEASE NOTE :**

All bouquets will be made up in your choice of colour palette using in season florals with draping ribbons to match.

As I do welcome inspiration pictures as an example of what you want, I will not replicate the exact design. As an artist I will always put my flair into it and make it my own.

Flowers are all subject to availability. I will do my best to acquire specific blooms but cannot guarantee due to seasonal availability or Mother Nature having plans of her own.

Instead give me your colour palette and trust I will bring your vision to life!

Note these are starting prices, specific blooms like Orchids, Peonies or preserved flowers can incur additional charges.

Seasonal Bouquet from \$300

Reflexed Rose Bouquet from \$350

Cascading Bouquet from \$400

# bridesmaids bouquets

Ok next up your bridesmaids, your squad....

Just like the dresses the bouquets are equally as important!

They are there to compliment you, so their bouquets will be smaller in size but equally as beautiful!

Again in your choice of colour palette with ribbons to match.

# bridal party extras

Buttonholes - \$30      Floral Hair Piece - \$50

Junior Buttonhole - \$25      Flower Wand (for a flower girl) - \$40

Feminine Buttonhole - \$40      Flower Girl Basket - \$130 (includes basket and petals)

Wrist Corsage - \$80      Floral Headband - \$60

Flower Crown - \$100

### HELPFUL TIP:

As a mother I know flower crowns on your little ones are SUPER cute!! But if they are anything like my little darlin she would love it for the first 5 minutes then throw it off because it was "too scratchy" or "too annoying"

Can I make a suggestion.....?? A flower wand or a floral headband.

These are smaller in size but maybe less annoying for them. Kids love wands at the best of times so having a flower wand with ribbons on to swirl around is kind of a winner! And a headband well it will still go on their heads but it's lighter and just with an accent of floral to "pretty" them up. Something to think about anyway.

# ceremony

Ok, the ceremony is everything!! So if you're wondering on where you can save money, don't do it here!!

The ceremony is where you want to spend the money, you will get a lot of photos in front of your ceremony florals and depending on what you choose you can potentially re-purpose for your reception.

- Focal Arbour Piece from \$450  
(One focal floral piece for the center or side of arbour)
- 2x Accent Arbour Pieces from \$700  
(Two smaller floral pieces to be positioned either in a corner or opposite sides of arbour)
- Fully Covered Arbour from \$3000
- Freestanding ground arrangements  
(These arrangements are front facing and can be used to sit on top of/ in front of plinths as pictured)  
Small from \$250  
Medium from \$350  
Large from \$550
- Welcome sign flowers from \$150
- Scattered Aisle Petals from \$180 (these petals are scattered down the whole aisle)

### **PLEASE NOTE:**

These are just starting prices. Custom quotes are available if you have a vision you want to bring to life.

Prices are based on seasonal flowers, and mixed foliage. Specialty blooms such as Orchids, Peonies and preserved flowers can be included provided in season at time of booking but may incur extra charges.

# reception

Last but not least your reception... You can go as big or as little as you like!  
Sit down dinner, maybe a flower cloud, stand up cocktail tables maybe bud vases.  
Big bridal table feature, maybe something long and low...  
There is no wrong answer, there is something for all budgets!

Cake Flowers, welcome and seating chart flowers are also something you may want to consider??

- Small vase arrangement from \$95
- Flower clouds (as pictured in top) from \$180
